Review Request:

I am writing to formally request a review of the aforementioned speeding infringement issued in Victoria. I respectfully submit this request on the grounds outlined below, in accordance with the Road Safety Act 1986 and relevant Victorian legislation governing traffic infringements and their review processes.

Grounds for Review:

1. Incorrect Speed Reading or Calibration Error

There may have been an error in the speed detection equipment or its calibration at the time the alleged offence was recorded. I request that the calibration records and maintenance logs for the speed detection device used be provided for verification.

2. Exceptional Circumstances

At the time of the alleged offence, exceptional circumstances necessitated the speed recorded, such as avoiding an immediate risk to personal safety or property, in accordance with legal provisions.

3. Incorrect Vehicle or Driver Identification

The vehicle or driver may have been incorrectly identified in the infringement notice. I request verification of photographic or video evidence supporting the infringement.

4. Procedural or Administrative Errors

Errors or omissions in the issuing process of the infringement may render the notice invalid or unenforceable.

5. Other Relevant Factors

Any other relevant circumstances or evidence that may support a review or withdrawal of the infringement.

Supporting Documentation:

Please find attached copies of all relevant documentation supporting this request, including but not limited to photographs, calibration certificates, witness statements, and any other pertinent evidence.

Declaration:

I declare that the information provided in this letter is true and correct to the best of my knowledge and belief. I understand that knowingly providing false or misleading information may constitute an offence under Victorian law.

Request for Outcome:

I respectfully request that this infringement notice be reviewed and, if appropriate, withdrawn or amended accordingly. I look forward to your prompt attention to this matter and a fair and just resolution.
